

My To Do List View

View Description:

This view's primary purpose is to provide a more summary and quick list of important items to be accomplished by the user.

OCTS My To Do List Applet:

The list applet allows the user to scroll through a list of all to do items, or to select a subset of to do items to view by using the query feature. The to do item's description is hyperlinked to a more detailed activity view.

For a detailed data mapping please refer to Appendix B-22
